

June 7, 2010

CES Group of Companies:

Mammoth, Governair, HUNTAIR, Temtrol, Vapac, Venmar, Ventrol & Webco

Custom Indoor/Outdoor HVAC Systems, Penthouses & Mechanical Equipment Rooms
Packaged Rooftop Units, Air Cooled, Water Cooled, Evaporative Condensing, Chilled Water
Floor-By-Floor Acoustic Air Handlers & Water Cooled Self-Contained Units
Energy Recovery Systems, Heat Wheels, Heat Pipes, Plate Heat Exchangers
Commercial/Geothermal Hydronic Heat Pumps & 100% Make-up Air Units
Canister Electrode, Resistance and Gas-fired Steam Humidifiers
Fan Wall Systems & Air Handling Units for New & Retrofit Applications

Krueger:

Single Duct, Dual Duct and Retro-fit Variable Air Volume Terminal Units
Series & Parallel VAV Fan Terminal Units, Standard Height, Low Profile and Ultra-Quiet Models
DOAS Terminals, Under-floor VAV Systems
Chilled Beams (Active & Passive) By Halton

International Environmental Corp. (IEC):

Horizontal, Vertical Floor, Lowboy, Vertical Hi-Rise, High Performance Fan Coils
Horizontal Belt Drive Air Handlers

ClimateMaster: Horizontal, Vertical, Console & Vertical Hi-Rise Hydronic Heat Pumps & Geothermal Units

ClimaCool: Modular Chillers; Scroll & Screw Compressors; R-410 & R-134a

GE Variable Frequency Drives

PennBarry: Complete Line of Commercial & Industrial Fans

Technical Systems Inc. (RAE Corp.):

Air Cooled, Water Cooled & Evaporative Condensing Chillers, Custom Chillers for Space & Acoustic Requirements
Air Cooled Condensers, Fluid Coolers & ARI Coils
Factory Installed Pump Packages Available On Chillers & Fluid Coolers

Environmental Technologies, Inc. (Enviro-Tec):

Single Duct, Dual Duct, Fan Powered Variable Air Volume Terminal Units
Complete Line of Fan coil Units, Horizontal, Vertical Floor, Vertical Hi-Rise
Modular Indoor Air Handlers (Single & Double Wall) 600 to 10,000 cfm

Redd-i Products Co.:

Open Coil & Finned Tubular Electric Coils
Electric Cabinet, Unit, Wall & Baseboard

Sterling:

Hydronic & Steam
Unit Heaters, Cabinet Heaters, Radiant Panels, Finned-Tube Radiation

UV Resources:

Ultraviolet Lights for Residential, Commercial & Institutional Application

Air Monitor Corporation:

Airflow Measuring Sensors & Equipment
